

**COVID-19 Weekly Healthcare Provider Update Compilation:
As of September 15, 2020, 11:00 AM**

The information in this compilation is current only as of the above date and time.

Purpose: The purpose of this weekly publication is to provide healthcare providers in New York State with a consolidated update of guidance released by the New York State Department of Health (NYSDOH) related to the COVID-19 pandemic response. This will show only current guidance for any given topic and will be updated to reflect new guidance.

As a reminder, all advisories and informational messages (including webinar invitations) are distributed through the Integrated Health Alerting Network System (IHANS), an application housed on the [Health Commerce System \(HCS\)](#). If you are not receiving IHANS notifications, please work with your site's HCS coordinator. Additional COVID-19 resources may be found on the NYSDOH webpage under [Information for Healthcare Providers](#).

Recordings of COVID-19 [Weekly Healthcare Provider Updates](#) are also available on the NYSDOH webpage.
