NEW YORK STATE OF OPPORTUNITY. | **Department of Health**

KATHY HOCHUL
Governor

MARY T. BASSETT, M.D., M.P.H.
Commissioner

KRISTIN M. PROUD
Acting Executive Deputy Commissioner

Friday, Jan. 28:

Based on the assessment conducted on January 27, 2022 by the Department, the following hospitals no longer meet the criteria for limitation and can plan to resume non-essential elective procedures as soon as the hospital is operationally prepared to restart these procedures:

- Newark-Wayne Community Hospital
- F.F. Thompson Hospital
- Columbia Memorial Hospital
- Wyoming County Community Hospital
- Buffalo General Medical Center
- Clifton Springs Hospital and Clinic
- Kenmore Mercy Hospital
- Niagara Falls Memorial Medical Center
- Cobleskill Regional Hospital

Based on the assessment conducted on January 27, 2022 by the Department, the following hospitals are required to limit all in-patient and out-patient non-essential elective procedures that are completed within the hospital. An impacted facility may continue to perform elective procedures at hospital-owned ambulatory surgery centers:

- Faxton-St. Luke's Healthcare St. Luke's Division
- Geneva General Hospital
- Sisters of Charity Hospital
- Oneida Health Hospital
- Erie County Medical Center
- UPSTATE University Hospital at Community General
- The University of Vermont Health Network - Champlain Valley Physicians Hospital
- Mary Imogene Bassett Hospital
- Mount St. Mary's Hospital and Health Center
- University Hospital SUNY Health Science Center
- UPMC Chautauqua at WCA
- Mercy Hospital of Buffalo
- Little Falls Hospital
- Bertrand Chaffee Hospital
- The Unity Hospital of Rochester
- Rochester General Hospital
- Brooks-TLC Hospital System, Inc.
- Strong Memorial Hospital
- Oswego Hospital
- St. Mary's Healthcare
- Crouse Hospital
- St. Joseph's Hospital Health Center
- St. Elizabeth Medical Center

- Highland Hospital
- A.O. Fox Memorial Hospital
- St. Mary's Healthcare – Amsterdam Memorial Campus
